

Donates Nights

The DeLorenzo family has designated Mondays as our donations night. It is our way of giving back to the community. We will donate 10% of our daily sales to different local organizations and charities. Sales for the day include lunch, take out, dinner, bar and catering. The 10% is based on all customers not just people from your organization.

We will include information about your fundraiser with our monthly calendar of events and on our daily special menus, and on our website www.delorenzosrestaurant.com.

To ensure a successful donations night we ask for your help in promoting your event. It is important to spread the word through email, newsletters, fliers etc. to friends, family, colleagues, and members of your group. We encourage reservations so that we can properly staff the evening. This will help to make the night go more smoothly and enjoyable for all.

For more information, contact Cheryl at 610-438-6026 or email info@delorenzosrestaurant.com
